Dear Mr. Green,
I have called your office and from
the last three times I have been to Hebert &
haven't been able to talk your insurance to
get a recommendation for a pain pill.
You mentioned when I asked a doc in
my back and you sent me to a Dr. for
a pain pill. I've been to a Dr. who
said to follow the policy in my back. When
we moved to Granville I lost the bottle with
the prescription # on it. It was a small
light yellow one about 1/2 inch and about 2
like this. I've found but can't find it.
I've lost it. I've been told I'm having
a hard time sleeping at night. I guess it's
aches or old age or both. It's so hard
in the place my back was broken. I
of course can remember what this pill
is. I would sure like to get a prescription

This is all the name of Granville I can
think of and this is the name of Hebert & you don't
need to return it.

We got my prescription today, we have had
one broken for fall.
Thanking you I remain

Sincerely Yours
Douglas O. Smith
